## Forever Lyrics

### Too Old, Too Young

Huh uh, yeah, yeah, yeah  
 He's so wise  
 but so immature  
 so immature  
 so immature  
 he's so wise  
 but so immature  
 so immature  
 so immature  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 He's so wise

but so immature  
 so immature  
 so immature  
 he's so wise  
 but so immature  
 so immature  
 so immature  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 He's so wise  
 but so immature  
 so immature  
 so immature  
 he's so wise  
 but so immature  
 so immature  
 so immature  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young  
 Always too old, or too young

### Monogamy

Huh uh  
 You're enough for me  
 I don't want nobody else  
 I'm willing to tell the world  
 When I keep it to myself  
 You're pretty from head to toe

I just thought that you should know  
 I only want you  
 I only want you  
 I only want you  
 And I'll let the whole world know if they don't  
 I only want you  
 I only want you  
 I only want you  
 And I'll let the whole world know if they don't  
 You're enough for me  
 I don't want nobody else  
 I'm willing to tell the world  
 When I keep it to myself  
 You're pretty from head to toe  
 I just thought that you should know  
 I only want you  
 I only want you  
 I only want you  
 And I'll let the whole world know if they don't  
 I only want you  
 I only want you  
 I only want you  
 And I'll let the whole world know if they don't  
 I only want you  
 I only want you  
 I only want you  
 And I'll let the whole world know if they don't

### Out The Mud

Ain't never been on tv  
 pretended not to know me  
 went from a wannabe  
 to A-list wannabe me  
 unified by the bullying  
 unified by exclusion  
 but years later  
 they found out his ego wasn't delusion  
 I got it out the mud  
 I pulled a 180  
 They love me but the plan  
 was always just to hate me  
 I became everything  
 that they told me that I can't be  
 I got it out the mud  
 I got it out the mud

I got it out the mud  
I pulled a 180  
They love me but the plan  
was always just to hate me  
I became everything  
that they told me that I can't be  
I got it out the mud  
I got it out the mud  
Ain't never been on tv  
pretended not to know me  
went from a wannabe  
to A-list wannabe me  
unified by the bullying  
unified by exclusion  
but years later  
they found out his ego wasn't delusion  
I got it out the mud  
I pulled a 180  
They love me but the plan  
was always just to hate me  
I became everything  
that they told me that I can't be  
I got it out the mud  
I got it out the mud  
I got it out the mud  
I pulled a 180  
They love me but the plan  
was always just to hate me  
I became everything  
that they told me that I can't be  
I got it out the mud  
I got it out the mud

### **You Ain't Lookin For Love**

Huh uh, yeah  
Everybody's out to get me  
but it still hurts when it's you  
maybe I should stick to chocolate  
but you never mentioned who  
and I'm grasping at straws  
trying to be that guy  
but I don't know why I even try...  
cuz you ain't lookin for love  
Huh uh, yeah  
Everybody's out to get me  
but it still hurts when it's you

maybe I should stick to chocolate  
but you never mentioned who  
and I'm grasping at straws  
trying to be that guy  
but I don't know why I even try...  
cuz you ain't lookin for love

### **Don't Change For The World**

Never give up  
never surrender  
let's make summer last forever  
I need you, like you need me  
and we're as young as we'll ever be  
Don't change for the world, don't change  
for the liars  
you and me doesn't get any higher  
Don't change for the world, don't change  
for the liars  
you and me doesn't get any higher  
Never give up  
never surrender  
let's make summer last forever  
I need you, like you need me  
and we're as young as we'll ever be  
Don't change for the world, don't change  
for the liars  
you and me doesn't get any higher  
Don't change for the world, don't change  
for the liars  
you and me doesn't get any higher  
Don't change for the world, don't change  
for the liars  
you and me doesn't get any higher  
Don't change for the world, don't change  
for the liars  
you and me doesn't get any higher

### **It's Really Me**

It's really me  
yeah I know  
It's really me  
yeah I know  
It's really me  
yeah I know  
It's really me

yeah I know  
It's really him  
Look better in person  
whatever he's doing  
obviously working  
He's so tall, he's so smooth  
I seen him only online  
now we're in the same room  
It's really me  
yeah I know  
It's really me  
yeah I know  
It's really me  
yeah I know  
It's really me  
yeah I know  
It's really me  
here in the flesh  
I've seen him before  
oh wait let me guess  
can I get a pick  
my friend is obsessed  
ok just the one  
or maybe the next  
It's really me  
yeah I know  
It's really me  
yeah I know  
It's really me  
yeah I know  
It's really me  
yeah I know

### **Love Her?**

Yeah  
You can't judge a book by its cover  
what's the point of color  
if you don't even love her  
You can't judge a book by its cover  
what's the point of color  
if you don't even love her  
We all get it, complexion  
fear and cash, was that ever a question?  
stereotypes will give you the wrong  
impression  
You about to learn a lesson

You can't judge a book by its cover  
 what's the point of color  
 if you don't even love her, yeah i said  
 You can't judge a book by its cover  
 what's the point of color  
 if you don't even love her  
 You don't care about the look of the future  
 If you did you would beg me to choose her  
 all you want is to abuse her  
 brainwash and confuse her  
 You can't judge a book by its cover  
 what's the point of color  
 if you don't even love her, yeah i said  
 You can't judge a book by its cover  
 what's the point of color  
 if you don't even love her

**Lips Too Small**

Oh oh  
 She really pretty, but her lips are too...  
 small  
 She always calling cuz she likes how I...  
 ball  
 She really pretty, but her lips are too...  
 small

She always calling cuz she likes how I...  
 ball  
 Hi again, my almost friend  
 fake love, fake hate, but for sure pretend  
 A broken record of a main stream trend  
 Cocky and insecure the ride won't end  
 She really pretty, but her lips are too...  
 small  
 She always calling cuz she likes how I...  
 ball  
 She really pretty, but her lips are too...  
 small  
 She always calling cuz she likes how I...  
 ball  
 Hi again, my almost friend  
 Do you think about me, every now and  
 then  
 Are you going to take a chance but you  
 don't know when  
 You're man's a 5 and I'm a 10  
 Oh, whoa oh oh  
 Oh, whoa oh oh  
 Oh, whoa oh oh, oh oh, oh oh, oh oh  
 She really pretty, but her lips are too...  
 small  
 She always calling cuz she likes how I...  
 ball  
 She really pretty, but her lips are too...  
 small  
 She always calling cuz she likes how I...  
 ball

### **Every Heart**

I want every heart of the masses  
 to make up for every girl you stole  
 I want every heart of the masses  
 for every heart you broke  
 I want every heart of the masses  
 to make up for every girl you stole  
 I want every heart of the masses  
 for every heart you broke  
 love is not a competition  
 love is not an ego mission  
 my love isn't in your vision  
 but it's in mine  
 I want every heart of the masses

to make up for every girl you stole  
 I want every heart of the masses  
 for every heart you broke  
 I want every heart of the masses  
 to make up for every girl you stole  
 I want every heart of the masses  
 for every heart you broke  
 love is not black and white  
 love isn't won through fights  
 love isn't left to right  
 it's life, it's life  
 I want every girl of the masses  
 to make up for every girl you stole  
 I want every heart of the masses  
 for every heart you broke  
 I want every heart of the masses  
 to make up for every girl you stole  
 I want every heart of the masses  
 for every heart you broke

### **Jesus Christ**

Nobody thought he'd live  
 Nobody dreamed he'd win  
 Nobody saw him coming  
 Nobody trusted him  
 An army against one  
 A bullying type trend  
 But Jesus put him on  
 The world's listenin'  
 And it's Jesus Christ  
 that saved my life  
 you want to challenge me  
 you better think twice  
 And it's Jesus Christ  
 that saved my life  
 you want to challenge me  
 you better think twice  
 Nobody thought he'd live  
 Nobody dreamed he'd win  
 Nobody saw him coming  
 Nobody trusted him  
 An army against one  
 A bullying type trend  
 But Jesus put him on  
 The world's listenin'  
 And it's Jesus Christ

that saved my life  
you want to challenge me  
you better think twice  
And it's Jesus Christ  
that saved my life  
you want to challenge me  
you better think twice

### Let Me Go

This isn't love  
You're just scared to be alone  
Yelling at me on the phone  
This isn't healthy and you know  
You should probably let me go  
You're just scared to be alone  
Yelling at me on the phone  
This isn't healthy and you know  
You should probably let me go  
I think the guys are intimidated  
I think that God will be glad you waited  
I think your haters are just irritated  
And you'll be fine  
This isn't love  
You're just scared to be alone  
Yelling at me on the phone  
This isn't healthy and you know  
You should probably let me go  
You're just scared to be alone  
Yelling at me on the phone  
This isn't healthy and you know  
You should probably let me go  
Those bullies must be blind  
swimming all around your mind  
and I'm flexing all the time  
like I don't truly want you mine  
You're just scared to be alone  
Yelling at me on the phone  
This isn't healthy and you know  
You should probably let me go  
You're just scared to be alone  
Yelling at me on the phone  
This isn't healthy and you know  
You should probably let me go

### You Can Be Anything (feat. Honey L)

You can be anything don't let them tell you  
different  
You can be anything don't let them tell you  
different  
You can be anything don't let them tell you  
different  
You can be anything don't let them tell you  
different  
Reach for the stars  
Remember who you are  
Head to the sky  
Listen to your heart  
Feet planted on the ground  
Finish what you start  
Don't let them get you down  
You're God's work of art  
You can be anything don't let them tell you  
different  
You can be anything don't let them tell you  
different  
You can be anything don't let them tell you  
different  
You can be anything don't let them tell you

different  
Reach for the stars  
Remember who you are  
Head to the sky  
Listen to your heart  
Feet planted on the ground  
Finish what you start  
Don't let them get you down  
You're God's work of art  
You can be anything don't let them tell you  
different  
You can be anything don't let them tell you  
different  
You can be anything don't let them tell you  
different  
You can be anything don't let them tell you  
different

### Diamond In The Rough

Huh uh,  
Stuck in my ways  
I try my best  
I try my best  
I try my best  
Stuck in my ways  
I try my best  
I try my best  
I try my best  
Stuck in my ways  
This,  
pop games a challenge  
cuz I'm,  
really a savage  
cuz my,  
Tone is sarcastic  
Stuck in my ways  
The world's,  
full of these ratchets,  
and my,  
body is tatted,  
and my,  
taste is so lavish  
Stuck in my ways  
I try my best  
I try my best  
I try my best

Stuck in my ways  
I try my best  
I try my best  
I try my best  
Stuck in my ways  
This,  
pop games a challenge  
cuz I'm,  
really a savage  
cuz my,  
Tone is sarcastic  
Stuck in my ways  
The world's,  
full of these ratchets,  
and my,  
body is tatted,  
and my,  
taste is so lavish  
Stuck in my ways  
I try my best  
I try my best  
I try my best  
Stuck in my ways  
I try my best  
I try my best  
I try my best

### **Big Dreams**

Huh uh  
I got big dreams and you can't take them  
no  
You have no clue  
just how far I'll go  
Every step, another story  
Buy me out, you can't afford me  
I will win  
I will win  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
I got big dreams and you can't take them  
no  
You have no clue

just how far I'll go  
Every step, another story  
Buy me out, you can't afford me  
I will win  
I will win  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh  
Whoa, oh, oh, oh

### **Thanks**

When I began singing, I had no idea that so many people would not only understand, but support my vision in its entirety. I don't take any of this for granted, and I'm excited to share this project with you.

I'd like to thank all of the informal partners of Covenant Records US for their passionate support and guidance from day one. I'd also like to thank my anonymous mentors for sharing their expertise and much needed encouragement.
